SECOND SUPPLEMENT TO THIRD PRELIMINARY AMENDMENT
FOR NON-BROADENING REISSUE APPLICATION

MAIL STOP REISSUE
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

This communication is in response to the Office Action dated September 28, 2006, and is a second supplement to the third preliminary amendment for the above-identified reissue application originally filed by hand on November 8, 2005. The Examiner requests that all claim amendments be made relative to the original claim, and not to the prior amendment, and indicates that claim 1 requires change. Applicant herein complies with the Examiner's objection and further notes that claims 24 and 32 should also be modified to be in compliance. Accordingly, claims 1, 24 and 32 are shown amended relative to the original claims.

The below text is original text from the First Supplement to the Third Preliminary Amend, and is included for completeness:

The Examiner requests that claims 34-49 filed on December 21, 2004 and claims 50-56 filed on November 8, 2005 be underlined. In that regard, claims 50-56 are now presently underlined in this document. Regarding claims 34-49, applicant wishes to bring to the Examiner's attention that these claims submitted in the Second Preliminary Amendment filed December 21, 2004, were indeed underlined, in accordance with the Rules. A copy of the Second Preliminary Amendment along with the PTO stamped receipt are attached for the Examiner's review to show that claims 34-49 have already been underlined. Accordingly, applicant believe it has now complied with all of the rules.

Further, an executed supplemental reissue oath/declaration is attached hereto along with a re-executed Assent of Assignee To Reissue Application and re-executed Certificate Under 37 CFR 3.73(b). The recordation documents listed in the Certificate are not included herewith as the original copies were previously filed.

The remainder of this document is identical to the Third Preliminary Amendment filed November 8, 2005, except that the new claims have been underlined, as requested by the Examiner in the Office Action.

Please enter this preliminary amendment prior to consideration on the merits and charge deposit account No. 23-0920 for any and all fees, including fees for additional claims.

Note that applicant filed a preliminary amendment along with the reissue filing of December 29, 2003, and then filed a second preliminary amendment hand delivered and received on December 21, 2004. Applicant now files the subject third preliminary amendment. Further, applicant and the undersigned wish to thank the Examiner for the courtesy extended to the undersigned, Eric D.
